We're excited to invite all 7th and 8th grade students from every campus to a special one-day retreat designed just for them! This is more than just a Saturday of fun, although there will be plenty of that. It's a meaningful opportunity for students to build lasting friendships, grow in their faith, and learn what it truly means to live in a Christ-centered community.

We'll come together at the Capital Hills campus from 9:00 AM to 5:00 PM for a full day of community building through worship, activities, and small groups. Afterward, all families are invited to join us for a family cookout from 5:15 to 7:00 PM. It will be a great time to relax, connect, and celebrate the day together!.

FAQ

What will supervision look like?

Students will be supervised at all times by small group leaders and Summit staff. Every adult serving will receive a background check.

What if my student wants to take pictures?

We recognize that many students do not have cameras and use their phones to take pictures. If your child would like to take pictures, please either give them a camera or ask their group leader to take pictures to give them at the end of the weekend.

What if my student wants to bring a friend?

Great! Have the friend register with the campus you attend and include your student's name on their registration.

Can my student bring their phone?

We want to give your students the unique opportunity to have time away from their phone. For this reason, we are not allowing cell phones at the retreat. Your student will always be with an adult leader who will have their phone. If you have any questions about this, please let us know prior to the retreat. Thanks for your support and cooperation.
